

## FLOAT DESIGN NOW OUTLINED

PLANS FOR DISPLAY MADE UP  
BY COMMITTEE AND WORK  
TO START AT ONCE

## UNIQUE, ATTRACTIVE

L. W. CHOB, TO HAVE GENERAL  
[CHARGE OF DECORATIONS  
AND DETAIL DUTIES

Typifying Glendale as the fastest growing city in the United States, as based on the last United States census figures, a design for a float, both unique and attractive, was outlined at a meeting of the general committee at the city hall last night and every effort will be made to bring the first prize offered by the Tournament of Roses association of Pasadena to this city, as was done last year.

Detailed description of the float is not desired by the committee, for obvious reasons, but it may be stated that the display will, if the plans of the organization are carried out to the full, clearly show to the thousands of visitors in Pasadena on New Year's day that Glendale is the fastest growing city in the country and, too, that it is a city of homes among the flowers.

### Sub-Committees Are Appointed

On motion of Dr. Jessie A. Russell, sub-committees to carry out the general committee's plans were named last night by R. F. Kitterman, general chairman.

J. G. Huntley, V. M. Hollister and T. W. Watson were named as a sub-committee to arrange for a vehicle to carry the display and to arrange also for the construction work. The display will be built on a trailer, drawn by an automobile.

W. B. Kelly, Mrs. Mabel L. Tight and T. W. Watson are on a sub-committee to arrange for the flowers to be used in the decorations.

L. T. Rowley and C. L. Lusby are to appear before the board of city trustees, as coming from the float committee, to ask the city to make a contribution from its publicity and promotion fund to the float fund.

### L. W. Chobe in General Charge

L. W. Chobe, largely responsible for the successful float of last year, was chosen by the committee to have general charge of this year's work. He will direct the placing of the decorations and, in fact, have full supervision.

## BAPTIST CHURCH

BEAUTIFUL CANTATA IS GIVEN  
HELD THURSDAY NIGHT;  
PROGRAM IS READY

The Baptist Sunday school will have its annual Christmas festival on Thursday evening at the church. A pantomime, entitled "Why the Chimes Rang," will be given by the following: Robert Taylor, Mrs. Ellen Bundick, Mrs. Roger Bentley, Mrs. Jensbury, Karl Schreudener, Mr. and Mrs. Lee Childers, Mr. and Mrs. Geo. Adams, Charlie Temple, Howard Kent, Nellie Love, Robert Hatch, Faith Tarling, Stanley Walker, Mr. and Mrs. J. P. King.

White gifts for the King will be presented by the classes, the money to be sent to the suffering children in Europe. Tradition said that a great gift might cause the cathedral chimes to ring, and the climax of the story which will be read by the pastor, tells what kind of a gift made the chimes ring.

The usual tree and Santa Claus will have their place on the program.

## MEETING TONIGHT

COMMERCIAL STREET TO BE  
DISCUSSED AT GATHERING  
AT HIGH SCHOOL

Called for the purpose, so it is declared, to "discuss ways and means of combatting the proposed Commercial street opening," a public meeting will be held in the Glendale high school building and that it will be called to order at 7:45 o'clock. The gathering is called by the West Glendale Protective League.

T. W. Watson, city manager, has been invited to attend the meeting and make a statement in regard to the proposed opening of the street, it is stated.

## EMERGENCY BILL TO PASS IS BELIEF TODAY

(Special Service to Glendale Evening News)  
WASHINGTON, Dec. 21.—Passage of the emergency tariff bill by the house was indicated today when a proposal to take up the measure tomorrow passed, 206 to 76. The majority of the democrats, however, the vote indicated, will oppose the bill.

## FURTHER WORD IS AWAITED FROM TANKER

(Special Service to Glendale Evening News)  
KETCHIKAN, Alaska, Dec. 21.—Further word was anxiously awaited today from the Standard Oil tanker Atlas, reported on the rocks in Snow Pass, leaking badly.

## THREE ARE KILLED AND SEVEN WOUNDED

(Special Service to Glendale Evening News)  
ROME, Dec. 21.—Three men were killed and seven wounded in a battle between socialists and nationalists at Ferrara, according to dispatches today.

## DE VALERA IS NOT ON BOARD STEAMSHIP

(Special Service to Glendale Evening News)  
CHERBOURG, Dec. 21.—The liner Aquatania, upon which Eamon De Valera was reported en route from New York to France, arrived in port today, but De Valera was not aboard.

## TURKEY DINNER

MR. AND MRS. CHARLES H. TOLL  
ARE HOSTS FRIDAY NIGHT  
AT ENJOYABLE AFFAIR

Mr. and Mrs. Charles H. Toll graciously opened their spacious home on Kenneth road last Friday evening to Chapter B. A., P. E. O., who entertained there the B. I. L.'s with a sumptuous turkey dinner.

Decorations suggestive of the Yuletide season were used throughout the rooms where the guests were received and the same festive motif was carried out in the dining room, where the largest of the three dining tables was centered with a Christmas tree, while large baskets of holly and red ribbons were used to adorn the two other tables.

Clever "dinnergrams" marked places for the forty guests, and their reading caused much merriment.

Hostesses for the evening were Mrs. Charles Toll, Mrs. Charles Guthrie and Miss Leta McCoy. They were assisted in serving by Mesdames A. M. Williams, M. L. Russell, Bertha E. Dadds.

### Included in Guest List

The evening was spent in playing bridge, five hundred and bunco. Prizes were merry Christmas hoaxes that caused great hilarity.

Included in the guest list were Messrs. and Mesdames R. M. Brown, F. N. Arnold, C. E. Case, O. O. Clark, A. D. Cross, C. B. Guthrie, F. McG. Kelley, F. W. Kille, H. E. Noble, A. M. Parker, T. W. Preston, M. L. Russell, A. M. Williams, W. M. Stamps, A. T. Wintersgill, Charles H. Toll, H. H. Parker; Mesdames Josephine Brant, A. S. Chase, Eva Cunningham, Bertha E. Dadds; Miss Leta McCoy, Dorothy Williams and Dorothy Wilford.

## GIRL ESCAPES

MISS VIOLA MCCOUBERY AND  
UNKNOWN MAN IN STRUGGLE  
AT RICHARDSON STATION

The crime wave which has enveloped Los Angeles is spreading. There have been several atrocities committed in the vicinity of Edendale lately, but the first one of its kind took place in Glendale shortly after 6 o'clock last evening. At 8 o'clock the police department received a call from J. Sarrell, 1831 East Gardena avenue, saying that when his daughter, Viola McCoubery, alighted from the Pacific Electric car at 6:15 p. m. at Richardson station a man ran out from behind the tower and attempted to attack her. In a struggle, during which part of her clothing was torn from her, they fell to the ground.

The girl jumped up and ran for her home as fast as she could, the man following her almost to her home. He is described as being about five feet eight inches tall, well dressed, wearing a tight coat, and not very old.

A police officer went to the home of Mr. Sarrell immediately, but quite a bit of time having elapsed before the report was turned in to police headquarters, no trace of the suspect was found.

### WOMAN JUROR FINED \$25

STAMFORD, Eng.—One of the women summoned to serve on a jury was fined \$25 for failure to attend court.

## HOLD MEETING

LOCAL CITIZENS AND HEADS  
OF PACIFIC ELECTRIC IN  
CONFERENCE TODAY

For the purpose of requesting the lowering of the Pacific Electric railway company's tracks on certain portions of Brand boulevard, a committee of Glendale citizens will hold a conference with the railway company's officials in Los Angeles this afternoon.

The local committee is headed by Mattison B. Jones as its chairman and as chairman of the Brand Boulevard Improvement association. Other members of the committee are A. W. Beach, Clinton L. Booth, Kemper B. Campbell, Hal Davenport, Charles B. Guthrie, D. Ripley Jackson, O. A. Lane, John A. Logan, A. G. Spohr and J. W. Usilton.

W. E. Evans, city attorney, and T. W. Watson, city manager, will act with the committee as representatives at large.

## HOUSE PARTY

MR. AND MRS. CHARLES PARKER  
TO ENTERTAIN RELATIVES  
HERE ON CHRISTMAS

Mr. and Mrs. C. F. Parker, 221 North Central avenue, will entertain a house party on Christmas day and the day following.

The dinner will be the principal event of Christmas day, and various pastimes are being planned for the next day.

Included in the list of those who will enjoy the pleasures of this holiday affair are Dr. and Mrs. E. H. Lyman, of Santa Barbara; Dr. and Mrs. Bagby, also of Santa Barbara; Mrs. Parker's brother and sister-in-law, Mr. and Mrs. N. A. St. Clair, and their son, George, of Walnut; Mrs. Alice Le Masters, of Los Angeles; Mrs. Lillian E. Dow, of Glendale; and Captain Roy Knox, of Los Angeles.

## TREAT PLANNED

CHRISTMAS STORY HOUR TO  
BE HELD AT LIBRARY ON  
FRIDAY AFTERNOON

The children who have been enjoying the story hour at the public library every week are looking forward with interest to the Christmas story hour, which will take place Friday afternoon at 3 o'clock. Christmas stories will be told and a beautifully decorated tree will be in evidence. A small treat for the children is also being planned.

## Traffic Is Delayed

Crowds of late shoppers and commuters were delayed last evening when a break in the trolley wire on the Pacific Electric line a few blocks south of the Southern Pacific railway held up south-bound trains for twenty minutes.

The break came as a Los Angeles-bound car passed over the switch, causing a shower of sparks to rain down from the trolley, but resulting in no more serious damage. The cause of the break was unknown.

## WAR'S VICTIMS TO LIVE HERE

TWO GIRLS, MADE FATHERLESS  
AND HOMELESS, COME HERE  
TO BROTHER'S HOME

## EXPERIENCES THRILL

BOTH STRUCK BY PIECES OF  
SHELL AND ONE WAS BLIND  
FOR SEVERAL MONTHS

Misses Esther and Rebecca Meshulam, victims of the world war, have arrived in Glendale from Europe and will make their home with their brother, Salvo Meshulam, manager of the E. R. Maier chicken ranch, 1340 North Pacific avenue.

The girls, Esther, 19, and Rebecca, 7 years of age, are natives of Serbia and resided there until 1917. Their father, called to service in the Serbian army at 45 years of age, died previous to that time.

In 1917, during the German bombardment of their native city, the two girls took refuge with an aunt. Unfortunately their aunt's home was demolished by a bomb while their own home was untouched.

### Aunt Killed, Girls Wounded

The aunt was killed in the explosion. Esther was struck in the face by fragments of the missile and Rebecca received injuries which blinded her completely for four months. The elder girl's condition was so serious that she was taken to Saloniki, Greece, for treatment in a French hospital. Six operations were performed for removal of bomb fragments resulting in the serious scarring of a beautiful face and the complete loss of the left eye.

The mother, a woman of great courage and determination, resolved on being with her daughter, packed a few clothes in a bag and carrying the younger girl in her arms, made her way unattended and on foot, to Saloniki, from her Serbian home, a distance of 150 miles.

Here the reunited family lived until the conclusion of the war. Miss Esther, after her recovery, was appointed assistant to the head nurse of the hospital where she was taken for treatment. She remained in this position for two years, finally receiving an honorable discharge.

### Decide to Come Here.

Mrs. Meshulam, after the close of the war, returned to Serbia for her personal effects and enroute was injured in a train wreck which caused her death six months later.

The girls then decided to come to America and with the assistance of the Red Cross and funds supplied by their brother here, were able to secure passage to this country. They are now happy in a real home such as they seldom knew in the war torn Balkan country of their nativity.

## SEVERE STORMS

MR. AND MRS. O. H. RUSSELL  
ARE GLAD TO GET BACK  
TO GLENDALE AGAIN

Business conditions in the east are at a low ebb, far worse than anywhere on the coast, according to statements of O. H. Russell, 101 North Cedar street, made in an interview with an Evening News reporter.

Mr. and Mrs. Russell returned to Glendale Sunday night from their home in Detroit, Mich., in the wake of severe snowstorms. After spending five weeks in New York and Michigan, Mr. Russell expressed his delight in returning to Glendale, where he finds business and climatic conditions far more to his liking.

A number of Detroit's automobile, furniture and other factories have completely shut down, Mr. Russell said, and the city is full of unemployed. This is true of a number of eastern cities, he stated. Those factories which have not completely closed have laid off from fifty to seventy per cent of their men. The Ford factory, while it has reduced its force and is not doing a normal business, is the most prosperous of any Detroit auto factory and is turning out many more cars than the others.

Eastern business men are looking toward the first of the year to bring an improvement in conditions. Many of them are merely marking time until the new administration takes office, Mr. Russell said.

THEATRE BAN IN BRUSSELS.  
BRUSSELS, Belgium.—New police regulations regarding theatres here forbid: The public to go behind the scenes; smoking inside the theatres; the wearing of hats; calling to actors and actresses on the stage, and addressing the audience from the stage.

## EIGHTEEN KILLED AND NUMBER WOUNDED

(Special Service to Glendale Evening News)  
DUBLIN, Dec. 21.—Reports of the biggest battle yet fought in the present Sinn Fein uprising which occurred at Bullinohone on Sunday night were still fragmentary today. At least ten Sinn Feiners were killed and thirty wounded or captured, while the British casualties were estimated at eight killed and many wounded. The Irish were said to have been routed.

## RESIGNATION OF GREEK CABINET ACCEPTED

(Special Service to Glendale Evening News)  
ATHENS, Dec. 21.—Premier Rhallis has submitted the resignation of the Greek cabinet to King Constantine. The king urged the ministers to remain in office until convocation of parliament.

## COMBINED EARTHQUAKE AND TYPHOON

(Special Service to Glendale Evening News)  
TOKIO, Dec. 21.—A combined earthquake and typhoon has wrecked most of the buildings on the island of Yap, according to meager advices reaching here today.

## PROBABLE DEFICIT IS ABOUT SEVEN MILLION

(Special Service to Glendale Evening News)  
LONDON, Dec. 21.—Thomas Farrow, founder, and Fred Hart, auditor, of Farrow's Bank, which suspended yesterday, have been arrested. The probable deficit is estimated at \$7,000,000.

## GIVEN FINE

WIFE OF DISTRICT ATTORNEY  
WOOLWINE VIOLATES LAW  
REGARDING LENSES

Mrs. Thomas L. Woolwine was yesterday fined \$5 here for having imperfect lenses on her automobile headlight. The fine was imposed by Judge F. H. Lowe, city recorder of Glendale.

All of which is "routine stuff" in the day's work, when scores of similar cases are disposed of during the week.

But Mrs. Thomas L. Woolwine is the wife of the district attorney of Los Angeles county. That fact makes a "story" out of her arrest and fine.

Mrs. Woolwine, of course, did not appear personally in court to receive the fine. Not at all. Nor did a representative of the district attorney appear to represent her. Oh, no. The district attorney himself made an appearance, stated he understood there was a charge against his wife and that he was there to pay the fine. Thereupon Judge Lowe, perfectly cool, calm and collected, plastered a fine of \$5, just like he does in scores of similar cases.

## VISITORS HERE

MR. AND MRS. ROY A. HILL  
AND WIFE OF FT. WORTH,  
TEXAS, IN GLENDALE

Mr. and Mrs. Fred S. Hill, 102A East Broadway, had a pleasant surprise yesterday afternoon when Mr. Hill's brother, Mr. Roy A. Hill and wife of Fort Worth, Texas, dropped in unexpectedly.

Mr. Hill is factory superintendent of the Texas Motor Car company of Fort Worth. They are stopping in Los Angeles, but will be Christmas guests of Mr. and Mrs. Fred Hill.

Mr. Hill was visibly impressed with the building activities being displayed by Glendale and, too, by the figures which will show this city is the fastest growing community in the country.

## GAINS PRAISE

BEAUTIFUL CANTATA IS GIVEN  
AT TROPICO PRESBYTERIAN  
CHURCH SUNDAY NIGHT

"The Star of Promise," a beautiful Christmas cantata, by Ashford, was given Sunday night by a choir of fourteen voices, at the Tropico Presbyterian church. The choir was trained and directed by Mr. Stump of the Normandie avenue, Los Angeles, Methodist church.

The cantata was well presented and those taking part showed much talent and, too, reflected the excellent training given by the director.

WANTS PETTICOAT IN COFFIN.  
LONDON.—Charles Holt Allen, who died recently, asked in his will that a "small parcel containing the small pink flannel half-petticoats in which the late (naming a lady) died may be placed beneath his head in his coffin.

## MODERN HOTEL BIG NEED HERE

J. B. TABOUR, PROMINENT MAN  
OF MINNEAPOLIS, ASSERTS  
HOSTELRY IMPERATIVE

## HERE FOR WINTER

ASTONISHED AT REMARKABLE  
GROWTH EVIDENCE HERE  
WITHIN SIX MONTHS

J. B. Tabour, realty dealer of Minneapolis, Minn., one of Glendale's winter residents, describes the growth of this city during the last six months as nothing short of wonderful.

Mr. and Mrs. Tabour and the latter's uncle, G. H. Henchman, arrived here December 6 and during the past two weeks Mr. Tabour has had time to observe many of the new homes and business houses which have been erected during his absence.

"The improvement which I see on all sides is very gratifying to any one who wants to visit or build a permanent home here," Mr. Tabour said. He is expecting visits from friends later in the winter, many of whom have visited Glendale before, and is looking forward with pleasure to showing them the growth and improvement in his adopted city which, he intimated, would some day become his permanent residence.

### Many Are Planning to Come

When asked if many of his acquaintances were expecting to come west, he laughingly declared that it seemed to him half of Minneapolis was planning to spend the winter in California and that he doubted if all could be persuaded to leave in the spring. The California fever has struck the Minnesota metropolis harder than ever, he believes.

"Glendale's biggest need at present is a good, clean, up-to-the-minute hotel with from 150 to 200 rooms," Mr. Tabour advised. "It would leave a lot of money in the city and would attract a very desirable class of people here that will not come now. Many an Eastern man with business interest in the East which prevents him from permanently residing here, has heard of Glendale and

(Continued on Page Four)

## NEW COMPANY

CHARLES B. GUTHRIE ENTERS  
CONTRACTING WORK; EXPERT  
BUILDER IS IN CHARGE

A new construction company has been formed to help take care of the demand for new houses. It is called the Guthrie Construction company and has its headquarters at the office of Charles B. Guthrie, 601 North Brand boulevard. The services of George E. Leaton, an expert builder, have been secured.

It is the intention of Mr. Guthrie to do business on the basis of doing the right thing by everybody, adhering strictly to the golden rule. The building of duplex houses, double bungalows, flats and apartment houses will be featured.

## SECURES HOME

F. L. FOX OF LUMBER CONCERN  
HAS NOW BECOME ONE  
OF CITY'S RESIDENTS

F. L. Fox of the Fox-Woodsum Lumber company, 714 East California avenue, has permanently located in his new home at 345 North Kenwood. He formerly resided in the Baker apartments, Tenth and Francisco streets, Los Angeles.

Mr. Fox made the change in order to be closer to his place of business and to receive the benefit of Glendale's spacious residence district. The Fox home, a two-story stucco structure, was ready for occupancy December 17.

## LOCATES HERE

L. W. PRICE, WELL KNOWN IN  
CHICAGO AND WASHINGTON,  
BUYS RESIDENCE HERE

L. W. Price, who has recently been a member of the board of contract adjustments in Washington, D. C., and who was president of the National Young Men's Republican league in Chicago, arrived in Glendale Saturday. He expects to be located in Glendale permanently, having purchased a home on East Elk avenue. Mrs. Price is secretary to C. J. Letts of the Elks' club.

### 8,000 EXECUTED IN RUSSIA.

COPENHAGEN.—In twenty Russian provinces during the past two years 344 rebellions have occurred and 412 counter-revolutionary plots have been discovered. In the same period 8,359 persons were executed and 45,000 imprisoned.

## CALENDAR

### L. G. SCOVERN COMPANY IS GIVING AWAY ATTRACTIVE ONES AMONG FRIENDS

The L. G. Scovern Undertaking company, 1000 South Brand boulevard, is distributing among its friends large and handsome wall calendars embellished with a beautiful colored print of Minnehaha, heroine of Longfellow's "Hiawatha," with border design in Indian blanket effect. "Minnehaha, Laughing Water," is appropriately pictured as sitting on the bank of a stream, garbed in fantastic Indian fashion. Behind the dark firs that fringe the opposite bank the full moon is rising. The scene gives opportunity for beautiful color effects, the blue of the water and the colorful dress of the Indian girl forming an effective contrast with the dark firs and the shadows cast by the moonlight on rocks and water.

### Children Can Converse With Departed, Claim

COLUMBUS, O.—"Many children are born who are able to converse with the departed spirits and, as the need grows, there will be more." This assertion was made by Claude L. Watson, national lecturer of the Theosophical society, in a lecture here. "The time will come when most of the physical beings will be able to communicate with the emotional beings," he continued. "In our ignorance we have placed about the grave a terror and sorrow that works hardships upon ourselves and those who have passed beyond. When we sorrow over a friend or relative who has passed beyond, the influence of the mind affects them and tends to pull them back. We should feel that they are not forever lost. We shall find them in the next realm. "There is no hell or heaven, as generally believed. Most of us are not good enough for heaven and not bad enough for hell. "Hell is tormented state of mind and is prepared by ourselves. The highest state of heaven if reached by the consciousness which leaves the emotional being after its work has been accomplished. "Thus, there is a second so-called death, which is not as much feared as the first."

### CERTIFICATE OF BUSINESS Fictitious Firm Name

The undersigned does hereby certify that he is conducting a building construction business at Glendale, California, under the fictitious firm name of GUTHRIE CONSTRUCTION CO. and that said firm is composed of the following persons, whose names and addresses are, to-wit: CHARLES B. GUTHRIE, 601 North Brand Boulevard, Glendale, California. Witness my hand this 20th day of December, 1920.

## PERSONALS

A. P. McBoyle, 369 Milford street,  
was in Santa Anna on business.

Mrs. J. H. Sherman of 341 West  
Broadway, was a Los Angeles visitor  
yesterday.

Mrs. O. D. Barnett, 334 West  
Broadway, was in Los Angeles for  
the day on Friday.

Mrs. C. F. Parker and Mrs. Dow,  
her house guest, were Los Angeles  
visitors recently.

L. Bond and Miss Hazel Davis of  
Los Angeles were dinner guests on  
Sunday of Mr. and Mrs. J. H. Sher-  
man, 341 West Broadway.

Mr. and Mrs. L. G. Sherman, 316  
West Lexington drive, were the Sun-  
day dinner guests of Mr. and Mrs.  
Arthur Maxwell of Los Angeles.

Miss Helen Delaine, daughter of  
Mr. and Mrs. W. P. MacMullin, is  
home from the Ruth Roland studio  
for the holidays.

Helen S. Tupper, R. N., who has  
been nursing for some time in Ox-  
tario, is spending the holidays with  
her mother, Mrs. Sarah A. Tupper,  
1003 East California avenue.

A tiny baby girl, which has been  
named Laura Jean, arrived at the  
home of Mr. and Mrs. Ivan A. Robin-  
son, 1520 Loraine street, December  
9th.

Mrs. Marion Skidmore of Uplands,  
California, mother of Mrs. M. S.  
Kuehny, 368 West Doran street, ar-  
rived today to spend the Christmas  
holidays with her daughter.

Mr. and Mrs. W. S. Gamble and  
Fred Blodgett of 125 West Los Feliz  
road were the dinner guests of Mr.  
and Mrs. Wm. Cook of Maywood  
Thursday evening.

John W. Usilton has made a sub-  
scription of \$5 to the fund being  
subscribed for Glendale's float in  
the parade at Pasadena on New  
Year's day.

The new scenic drive being con-  
structed at a high elevation at the  
west of the Verdugo valley is practi-  
cally completed and will soon be open  
to the public, it is announced today.

Mr. and Mrs. J. W. Cotton left  
for San Diego today to visit with  
the latter's mother over the holi-  
days. They will return by the first  
of the year.

Mr. and Mrs. W. A. Cecil of Mun-  
cie, Indiana, are among the new-  
comers to our city. They are living  
at 236 North Kenwood street. A  
son, Ray Cecil, resides at 232 North  
Kenwood.

Mrs. G. E. Metcalfe Shaw of 826  
Green street has as her guests for  
the winter Mr. and Mrs. Faust Lang,  
relatives from Bavaria. Mr. Lang is  
a sculptor and Mrs. Lang is an ani-  
mal painter.

Dean Dodds, 345 West Wilson  
avenue, formerly employed by the  
Walker Grocery Company, has taken  
a position with a grocery firm in  
Eagle Rock. He still maintains his  
residence in Glendale.

Permits amounting to \$43,000  
have been taken out by Charles W.  
Kent & Son for the erection of bung-  
alow class rooms and a girls' gymna-  
sium on the Glendale Union High  
school grounds.

Yesterday's police records include  
a report received from the Victor  
hotel, 119 1/2 North Brand boulevard,  
of the theft of two 3x6 rugs, which  
had been stolen from the public bath  
room of the hotel Sunday evening.

Mr. and Mrs. R. L. Milligan, 114  
East Park avenue, have as their  
winter guest Mrs. Edna Carpenter of  
Clearwater, Kansas, who is delighted  
with California. Mrs. Carpenter says  
that the recent wind storms remind  
her so much of Kansas that she feels  
quite at home.

Mr. and Mrs. C. V. Arrington,  
formerly of this city but who have  
been living in San Diego, where Mr.  
Arrington was employed in the U. S.  
Grant hotel as detective, have  
moved to Los Angeles. Mr. Arring-  
ton is to be one of the managers  
at the new hotel being erected in the  
Wilshire district.

R. H. Vorpahl, wife and daughter,  
formerly of Minneapolis, are now resi-  
dents of Glendale, having arrived  
here about three weeks ago. They  
went to Portland first, but did not  
like the steady rains there, so came  
to southern California—and Glen-  
dale. While Mr. Vorpahl has property  
interests in the east, he was con-  
tent to leave them in order to come  
out here and avoid the extreme cold.

## Aetna-Auto Plan

protects the motorist  
against financial loss—

1. If his car injures or kills anyone.
2. If his car destroys or damages another's property.
3. If his car is destroyed or damaged by collision.
4. If his car is destroyed or damaged by fire.
5. If his car is stolen or damaged by thieves.

Aetna-Auto Combination  
Insurance will enable you  
to drive your car with the  
assurance that you are com-  
pletely protected against  
every insurable motoring  
risk.

## Life Insurance A Christmas Reminder

At this season of the year we  
should not fail to make ap-  
provision for those dependent  
upon us for support, should we  
be taken away. Think of the  
hardship which they might ex-  
perience if left without means.

There is no better nor safer  
plan of securing this protection  
than by life insurance. A Whole  
Life policy for the mother and  
an Endowment policy for each  
of the children.

I will be pleased to call and  
explain the desirable features of  
Metropolitan policies. Will you  
not telephone and make an ap-  
pointment for day or evening?

## PERSONALS

Mrs. Hannah Hesse has returned  
from a month's visit with a daughter  
in Durango, Colorado.

Stella Chamberlin of Fullerton  
was the guest of Mr. and Mrs. J. W.  
Walton, 377 Milford street.

A. J. Lucas, real estate agent, has  
taken out a permit for the erection  
of an office at 306 South Brand  
boulevard.

Mr. and Mrs. George Delgado of  
Bowie, Arizona, were the guests of  
Mr. and Mrs. S. O. Delgado, 316  
East Lomita avenue, last week.

H. E. Swift of Spokane, Washing-  
ton, will be the guest of Mr. and Mrs.  
C. A. Swift, 828 South Maryland  
avenue, for over the holidays.

Dr. Jessie A. Russell is entertain-  
ing her sister, Miss Adaline Marjorie  
Jack, who arrived from Chicago last  
Sunday.

At the regular meeting of the  
Elks' last evening fifty-five new  
members were balloted upon. Initia-  
tion will take place at the next meet-  
ing.

Arthur Colon, of the city engi-  
neer's office, and wife motored to  
Turnbull Canyon, near Whittier, last  
Sunday and returned with a quantity  
of beautiful holly.

Mr. and Mrs. A. C. Waidelich, pro-  
prietary of the Waidelich Electric  
shop, 126 South Brand boulevard,  
have purchased a home at 634 North  
Kenwood street, and will take pos-  
session about January 15.

Mr. and Mrs. O. O. Clark and  
daughter, Miss Dorothy, of 346  
North Louise street, were the dinner  
guests last Sunday of Dr. and Mrs.  
C. G. Farrow, of 214 West Doran  
street.

Roy Hoopes, of Salt Lake City, ar-  
rived in Glendale yesterday for a vis-  
it with his mother, Mrs. Ella S.  
Hoopes, of 501 East Wilson avenue.  
This is the young man's first visit  
to Glendale in six years.

The many friends of Oma A. Fish  
will be glad to know that he is re-  
covering satisfactorily from a seri-  
ous operation, which he underwent  
at the Westlake hospital in Los An-  
geles last Thursday.

Mr. and Mrs. W. D. McRae, 634  
North Kenwood street, were at Camp  
Baldy last Sunday. Mr. McRae at-  
tended a conference of local leaders  
of the Y. M. C. A. from San Bernar-  
dino county, which took place there.  
A storm, which started in rain but  
turned to snow, was one of the ex-  
periences they enjoyed while there.

## LAST MINUTE

NUMBER OF SUITABLE GIFTS  
CAN BE FOUND ON EVE  
OF CHRISTMAS DAY

Those having "last minute" gifts  
to buy cannot go wrong if they select  
them at The Photo Shop, 119-A East  
Broadway. For who can't find room  
for one more good picture, large or  
small?

Discerning people will enjoy look-  
ing over the really good oil paint-  
ings, pastels and prints at The Photo  
Shop. The "soft focus" pictures now  
in vogue will be found here in vari-  
ous subjects and all sizes.

Perhaps you have a picture you  
wish to have framed; you will find a  
fine assortment of frames here, and  
the good taste and reasonable prices  
of the proprietor will be of assist-  
ance to you in making your selection.

The Photo Shop makes a specialty  
of kodak finishing and does not  
charge for developing.

The gifts you select here will be  
appreciated by nearly anyone, for  
who does not take joy in a good pic-  
ture, appropriately framed? Every  
householder wants good pictures for  
the home; every girl or boy likes a  
new picture for his room; and if  
one has no home to live in, but needs  
must sojourn in a "furnished room,"  
then all the more will the friendli-  
ness of at least one good picture on  
the wall have its strong appeal as a  
Christmas gift.

A Massachusetts woman has pa-  
tented toy animals with eyes that are  
so treated with radium that they are  
luminous in the dark.

## CHRISTMAS PARTY

FOURTEEN MEMBERS DRAMATIC SECTION OF TUESDAY CLUB IN SOCIAL AFFAIR

Although the dramatic section of the Tuesday Afternoon club carried out faithfully its scheduled program at last Friday's meeting at the home of Mrs. Collin Cable, the Christmas feeling in the air was not to be resisted, and at the close of the study-hour the fourteen members present yielded to the holiday spirit and resolved themselves into a most delightful Christmas party.

The chief features of the meeting were the reading of three articles by the curator, Mrs. R. E. Chase, and their discussion by members; and the reading of the last two acts of "Lady Windermere's Fan." The articles Mrs. Chase read were "The American Playwrights," "The Theatre Advancing," by Nance O'Neill, and "The Late Broadway Productions."

The next meeting will be held at the home of Mrs. J. Roger Bentley, 715 North Central avenue, on January 6. "Lady Windermere's Fan" and its author, Oscar Wilde, will be the topics for discussion and the reading of Ibsen's "The Doll's House," will be begun.

### Ices and Cakes Are Served

Ices and Christmas cakes were served at the jolly Christmas party following Friday's study hour. The drama section was honored at this meeting by the presence of the club president, Mrs. C. E. Hutchinson. Members who shared the pleasure of the occasion were Mesdames R. L. Galvin, Mabel Franklin Ocker, A. P. Findlay, J. R. Bentley, Walter N. Stamps, E. A. Bode, H. B. Wilcox, R. C. Snow, Charles H. Temple, J. W. Feinstein, the curator, Mrs. Chase, and the hostess, Mrs. Cable.

## FOR CHRISTMAS

NUMBER OF PEOPLE SENDING THE EVENING NEWS TO FRIENDS AND RELATIVES

From every section of the Glendale community come fistfuls of money with requests for The Evening News to be sent to the home of the subscriber for a year. This local daily paper is truly eagerly read by a large per cent of the citizens of Glendale.

It is being sent as a Christmas present to friends and relatives.

When time permits, you are invited to visit the printing plant and witness the twenty-four people at work diligently with the most modern printing machinery in use anywhere.

## Two Are Accused

Accused of violating a state law by practicing medicine without a license, Harry St. Clair, 1250 South Maryland, and A. D. Cochran, 112-A East Broadway, were arrested yesterday on complaints said to have been instigated by a representative of the state board of health. Both are chiropractors and the cases against them are the same, it is said, as are being brought against other chiropractors throughout the state. Dr. St. Clair's preliminary hearing will be held before Justice H. M. Miller on Friday morning. The hearing of Dr. Cochran has not yet been set.

## MANY CIGARETTES CONSUMED

In 1868 not enough cigarettes were consumed in the United States to be subjected to the internal revenue tax. Today the population of the country, male and female, is burning up 127,000,000 cigarettes every day, or 46,500,000,000 in a year. During the last ten years the consumption of cigarettes has exceeded that of cigars.

The supreme court has ruled that an insurance policy on the life of a suicide is payable provided all the conditions of the policy are complied with.

## HOTEL IS NEED

J. B. TABOUR STATES THAT  
GLENDALE HAS NUMBER  
FINE OPPORTUNITIES(Continued from Page 1)  
would like to spend the cold season here, but he is unable to obtain accommodations.

## Larger Restaurant Is Proposed

"Glendale has a number of good restaurants, but I believe one built on larger and more modern lines would be a paying proposition as well as a big boost for the city. However, all these things will come in time. We can't have everything at once."

Mr. Tabour believes that business conditions throughout the country in general are very good and that values have been clearly established.

"We are a little more conservative in the East and do not do things on as big a scale as the West," he said. "My own business in Minneapolis, real estate and loans, during

the last six months might be termed slow. People there seem to believe that the top has been reached, particularly in houses and that prices must come down. Conditions out here are different. You are forced to build and the demand is always greater than the supply."

Surprised at Much Building  
"Nevertheless I was very much surprised to observe the amount of building being done in southern California, particularly in the face of excessive building costs. I can not help feeling that, to use the slang phrase, 'somebody is going to hold the bag' before long. Prices must come down although they may not take as great a tumble here as in the East."

"Money conditions are becoming more stable in the East," he stated. "Eastern business men were looking toward a much-reduced rate of interest, believing capital will soon be far more easily obtained. Most of them, whether Democrats or Republicans, feel that the election has clarified the air and that the country is now ready to get down to business."

## ASKS QUESTIONS

DR. C. R. LUSBY WRITES IN  
REGARD TO ERROR FOUND  
IN CITY ORDINANCE

Editor Glendale Evening News:—In reading over the report of the trustees' meeting on last Thursday, I notice that the city attorney has recommended that the ordinance ordering the opening of Commercial street be repealed on account of an error. If this has been done simply to correct an error, all right, but if it has been brought up as a technicality to try to defeat this ordinance, it is all wrong.

By whom was this error found? Was it by the city attorney who drew it up? Certainly the excuse could not be made in regard to this, that we heard in regard to the civic center bonds, namely, that "it was gotten up and put through in such a hurry," as this has been under consideration about a year, I think. It seems to me that with three attorneys on the board of trustees a few less errors are to be expected.

## Asks Who Found Errors

Was the error found by Mr. Stephenson, who was so radically opposed to the ordinance? It might seem so, as he now presents the ordinance of repeal and has again expressed himself that he will vote against the improvement. When the ordinance was passed Mr. Stephenson was the only member of the board to oppose it, and he is still opposing it, apparently at any cost.

Why did he permit it to go through with a flaw and then take so much pains to point out the error afterwards? Mr. Stephenson did not show the spirit of a good loser when the ordinance was passed, when he ordered the marshal to restore quiet, or put people out of the council chamber before they could possibly reach the door.

In regard to the ordinance not being exactly correct, I think most judges in the country decide a matter upon the intent of purpose, as often as upon a technicality. However, I am aware that legal procedure must be followed in the matter.

## Resident Here Ten Years

I am confident that the trustees will, of course, pass the ordinance again in good faith, but it has laid a matter in jeopardy which is of much importance to the city and for which we have been working for a long time.

I have been a resident in Glendale for about ten years, and am now a taxpayer in this district. This is the first time that I have ever taken the opportunity to express my views through the newspaper, but am doing it with the hope of putting an end to some unnecessary delays in public matters.

Yours for a Greater Glendale,  
DR. C. R. LUSBY.

## TEACHER HOSTESS

MRS. EVA CUNNINGHAM HAS  
AFTERNOON IN BEHALF  
OF CLASS MEMBERS

The music pupils of Mrs. Eva Cunningham assembled at her home, 114 North Orange street, on last Saturday afternoon—but not to play scales and arpeggios and listen to the rhythm of the metronome as they went over their lessons.

No one so much as mentioned music lessons; for this was a Christmas party with merry games and clever riddles and laughing chatter and, of course, refreshments—for it isn't a party unless there are refreshments.

Guests who enjoyed the delightful afternoon were Marguerite Chappell, Beatrice Case, Miriam Whitten, Helen Robison, Irene Robison, Shirley Hitchcock, Gladys Woodyard, Louise Dair, Marian Ballard, Nyla Chapman, Rebecca Brant, Helen White, Virginia Caldwell, Marcia Crocker, Portia Chambers, Alma Louise Abree, Isabel Livingstone, Edith Palutski and Elizabeth Walker; Laurence Burns, Carroll Toll, Robert Bullinger, William McRae, Stanley Livingstone, Shirley Preston, Glen Cunningham and Ralph Cunningham.

The miners of the country took three holidays election week with a consequent loss in production of 714,128 tons of coal—enough to have supplied a city of 200,000 population for a year.

It means working all day to get up a Christmas dinner at home. That's why we are going to the White Inn instead. We have already made reservations at \$1.50 a plate. Phone Glendale 656-W.

## FLOAT DESIGN

UNIQUE AND ATTRACTIVE IS  
DISPLAY TO BE MADE BY  
CITY AT TOURNAMENT(Continued from Page 1)  
pervision under the orders of the general committee. He was last night authorized to select his workers, subject to the approval of the general committee. In view of the fact of his excellent work of last year and in view of the further fact that he has made a number of suggestions relative to this year's entry which have been adopted by the committee, it was decided he should have charge.

In order that a complete record may be kept of the financial affairs of the committee, Miss Eva Daniels, a member of the committee and also its secretary, was last night elected as treasurer and the understanding reached that all bills must be approved by Chairman Kitterman, Miss Daniels and the head of the sub-committee making a contract. Also, it is proposed that a complete record be kept of all expenditures so that it will be shown just how and for what the fund is expended.

Of the designs submitted for the committee's consideration, it was voted last night to give honorable mention to R. S. Garretson of 1111 East California street, he having submitted two designs that received much favorable comment, and to Allan MacKenzie, 721 South Brand boulevard, he having submitted a carefully worked-out and well-colored design that was well praised.

The general committee will meet at the city hall next Thursday night at 6:45 o'clock to hear reports of progress from the sub-committees and Mr. Chobe and to transact further business in connection with the building of the float.

It is probable that the float will be built at the fire station, with the assistance of members of the fire department and, perhaps, other city employees.

## Baths de Luxe Will

Be Given Senators

WASHINGTON.—The Gracie-Roman baths of the United States senate, installed nearly eight years ago but never put into service, are now being cleared of the cobwebs and stains of time and will be in shape to offer their luxuries of steam, plunge, shower and electricity to the members of the new senate.

Charges of extravagance were aimed at the baths in congressional debate when the power of administration last swung from republican to democratic, and as a result the baths, installed in the then new senate office building were shorn of their expensive equipment, bereft of their attendants and left to gloom. The marble slabs, Turkish rugs and steamproof tables and chairs were turned over to government hospitals and only the marble shells and nickel fittings left in place.

Now, however, the baths are coming back, put under a new plan. Members of the senate themselves will pay a large part of the operating expenses, and a special unofficial committee has taken charge of the assessments, which will be levied against each user in proportion to the service he exacts. The baths will be somewhat less gorgeous than the original plan anticipated, but in their luxury and completeness will still have claim to comparison with private club installation.

Senators will be able to steam themselves out in a series of marble hot rooms, resuscitate themselves on the drying room cots, invigorate under one of the several types of needle and drench showers and float in the swimming size plunge. They also can try massage, the electric cabinet or the prickling shocks from the static machine.

Installation of the baths cost many scores of thousands and some senators at least, feel that the waste of letting the equipment lie dormant is as great as any expense that may be encountered in putting it into service.

PHONE GLEN. 258-J 106 S. GLENDALE AVE.This Young Man Said  
to Be Very Wealthy

NEW YORK.—Luis Cousino of Lota, Chile, might well claim Midas as a poor relative if half the stories other passengers on the Elbro of the Pacific line told about him are true.

Cousino, who is a good looking young man of about 26, reached port on the liner on his way to visit his sisters, the Baroness de Heeckeren and Mme. Guerreau, in France. He owns in his native land, among other things, a mountain 99 per cent sulphur, 90,000,000 tons of borax, mines which produce 900,000 tons of coal each year, Quintero, a sheltered bay, five kilometres in diameter, a few miles north of Valparaiso; a square of pampas, or plains, which has sides of 1,000 kilometres in length (625 miles), and a total of 2,500,000 hectares (6,175,000 acres) of land. He also has a tidy sum in cash.

The young Chilean explained that the property had been in his family for generations, but that he hoped to put its valuable mineral products to greater use than ever before. He said that both the English and French had sought to buy his harbor, but that he preferred to have it bought by Americans.

## FINE CALENDAR

VERY ATTRACTIVE ONE IS BEING DISTRIBUTED BY PULLIAM & KIEFER

Unusually attractive both as to design and coloring, a most eye-satisfying calendar for 1921 is being distributed by Pulliam & Kiefer Undertaking company, 305 East Broadway.

The calendar is titled "The Trail of the Sunset" and the coloring work is most striking. Further, the Pulliam & Kiefer company has made a new departure in calendar distribution, for not a line of advertising appears on the face of the calendars, the firm name and address being printed on the back. The calendar is one of the most pleasing thus far given out for 1921.

## SHOWS PROGRESS

TWO-YEAR-OLD REPUBLIC HAS EXCELLENT RECORD FOR GROWTH THUS FAR

PRAGUE—The Czechoslovak republic is now two years old. Of all the states born from the universal chaos of the great war, Czechoslovakia is the only one spared the sorrows of infancy.

Czechoslovakia is the first state in central Europe whose budget for 1921 shows a credit balance. It is the only country in continental Europe where the circulation of paper money has not been increased since the armistice.

You cannot be long among these enthusiastic, enterprising people—Czechs, Moravians and Slovaks—until recently "subject races" of the Austro-Hungarian monarchy, without being convinced, Czechoslovakia is a state the rest of the world is going to hear much of in the near future.

With an area of 55,000 square miles, and a population of 14,000,000, Czechoslovakia has a larger area than Denmark, Belgium and Holland combined and a larger population than Switzerland, Belgium and Denmark combined. Czechoslovakia will quickly live down the handicap of its queer name.

**Feature of Importance**  
Dr. English, minister of finance, whose budget shows total revenues for the coming year amounting to 14,107,979,550 crowns, and a total expenditure of 14,104,373,650 crowns, pointed out a feature of his budget that is of considerable importance to American and other foreign investors.

"My estimates comprised an ordinary and an extraordinary budget, and another based upon profit-sharing items. Revenues derived from the state budget proper cannot be applied for purposes of the profit-sharing items in the second budget, and vice versa. The Czechoslovak state, in other words, binds itself not to use the credits obtained by the credit-yielding items for defraying the state deficits.

"The new financial measure insures the equilibrium and solvency of the state. It was already necessary to obtain a decree of the ministerial council, together with the sanction of the supreme control board, before the budget estimates could be exceeded.

**Precautions Against Extravagance**  
"The same formalities are now necessary for the transference of credits to other purposes than those for which they were originally intended, while before the budget estimates can be exceeded the unconditional sanction of the national assembly must be obtained.

"Among other precautions against extravagance the various ministries may not make purchase beyond 50,000 crowns (10,000 crowns in the case of profit-yielding items) without the consent of the finance ministry.

"We are determined not to have any extravagance in any of our departments, and to get out of debt as quickly as possible."

## NAVIPENDULUM ON SHIPBOARD

One of the problems which naval architects have to confront is the rolling of a ship on the waves, and the "navipendulum" is an invention for dealing with it experimentally.

The apparatus consists of two parts: A plate to which a motion corresponding to that of a portion of the surface of a wave is imparted, and a pendulum of a peculiar shape which rolls upon the moving plate in the manner of a vessel supported by water.

The same pendulum can be made to represent different vessels of given size and shape by adding or removing artificial resistance to the oscillatory motion.

This instrument has been employed to study the rolling of the Italian battleships as well as those of other countries.

## BATHING AND HEALTH

The Hebrews, Hindus and Mohammedans, as a part of their religion, are required to keep the body clean by frequent ablutions and baths and this has had a far-reaching effect upon the healthfulness of those people. When the Roman empire fell, the magnificent system of baths, which its people had used for cleanliness of body, soon lapsed into decay. Only in Spain, under the Moors, was the system of bathing kept up. There, to conform to the religious rites of Islam, luxurious baths were maintained, but when the Moors were expelled the misguided pious people razed to the ground these remnants of heathenism.

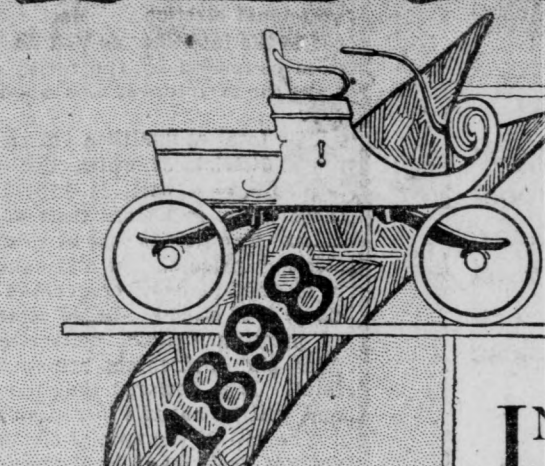

## PROBABLY OLDEST INDUSTRY

The impending sale of Brandon Park, an estate of 2,000 acres on the Norfolk-Suffolk (Eng.) borders, recalls what is probably the oldest and most enduring industry in the world—flint working.

At Brandon the first flint working industry has been carried on for several thousand years. A small colony of workers is still making gunflints there and exporting them to savage tribes in northern and central Africa. It is said that these workmen are lineal descendants of the flint workers of the neolithic age.

Many have made their reservations for a special Christmas dinner to be served at the White Inn, for \$1.50 per plate. Phone Glendale 650-W.

# for 22 Years

# Oldsmobile

## Sets the Pace

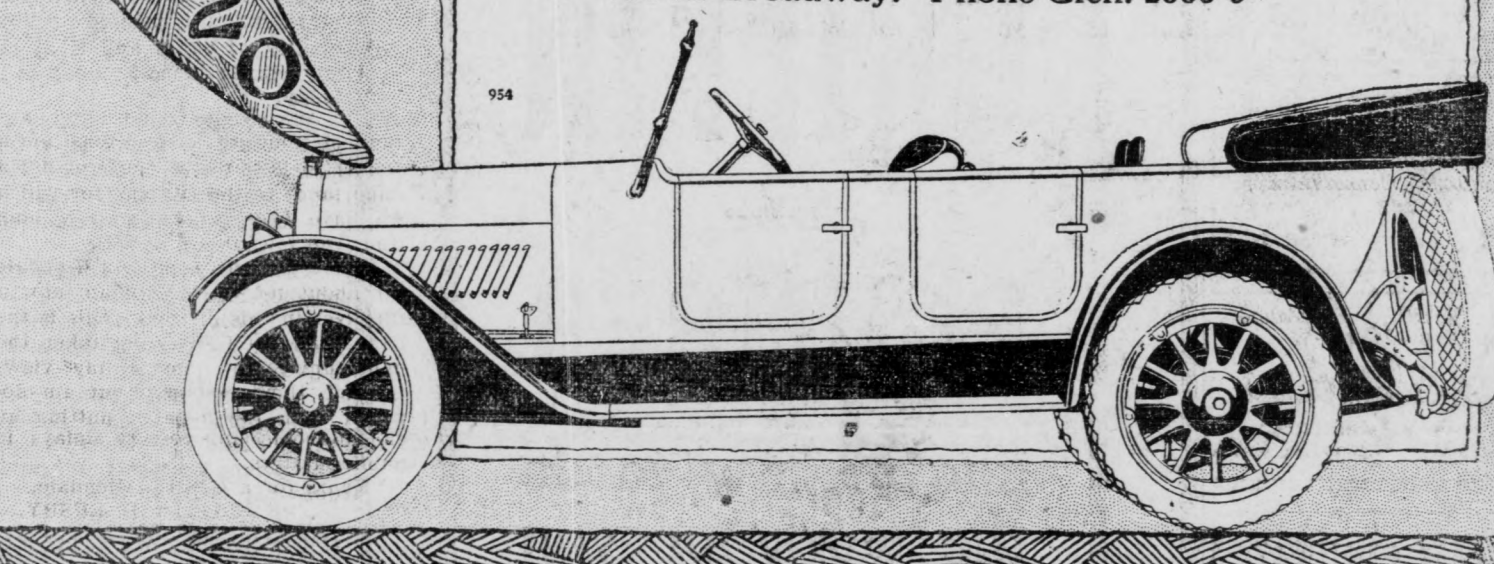

IN 1898 when the sturdy little one-cylinder Oldsmobile was the only motor car on the market, it set a remarkably high standard of excellence for future manufacturers to endeavor to equal.

Throughout the following 22 years Oldsmobile has always continued to *set the pace* in style, in comfort, in mechanical performance and in dependability.

The present day Oldsmobiles—handsome, high powered, light weight, sturdy "sixes" and "eights"—*set the pace* in one other great essential, dollar-for-dollar value. Your search for a moderately priced car of real character will be ended at the Oldsmobile showroom.

## ROBBED IN AIR

CRIME DID NOT OCCUR BUT IT MAY ANY DAY, ASSERT POSTAL OFFICIALS

SAN FRANCISCO—United States west-bound air mail plane was shot down and robbed in the Sierras at daybreak today. The pilot was killed and the plane set on fire to destroy all evidence. Postal authorities are hot on the trail and were reported late today to have the bandits trapped in a mountain pocket.

This hasn't happened yet, but is being contemplated as a possibility by air mail authorities in charge of the new transcontinental service.

Out in the lonely stretches of the west, where pilots must fly for hours through sparsely settled or waste country, this new problem of the anticipated skywayman is confronting the men whose duty it is to safeguard Uncle Sam's post.

How he will attempt it when he strikes, this "sky agent," is already a matter of sober speculation among officials, but that will put in a dramatic appearance as the air mail settles into a fixed schedule and becomes a routine part of the country's transportation, isn't doubted.

**Tempting Bait Is Offered**  
United States air mail offers tempting bait to the daring breed who have in turn robbed pony express, stage coach and train. Fortunes are being carried in packets entrusted to the pilots. And this class of mail will increase as the new postal lines develop.

In the western mountains where the mail flies low over the crests to avoid clouds and storms, it is often well within rifle shot, and as the routes are more exactly followed to make schedule time, the chances for ambush among the crags will grow.

Or—the first skywayman may elect to go up in the air after his prey. These possibilities are not being looked upon as a wild dream. They are being given serious thought in postal sanctums, and no doubt serious thought in the realm of crookedness, officials concede.

This, then, is the problem of protection, as it is being speculated upon: Shall the mail planes be armed as

were battle planes thus reducing their carrying capacity and requiring a greater number? Or—

Shall they be kept unarmed, as at present, and their safety entrusted to pilots most of whom are ex-army fliers who have had desperate encounters above the fields of France?

**Will Require Brave Man**  
Now the air mail pilot is armed only with an automatic revolver. In the more thickly settled sections of the country the skywayman is seen as a remote possibility, but in the west, where a plane might be dropped and not discovered for days, there is a real menace.

"It will probably come," says Col. John A. Jordan, superintendent of the United States aerial mail service—and then a message similar to the fiction lead at the top of this story will come flashing over the wires.

"But it will be a brave man who attempts it," continued Jordan, "for 10,000 secret service operatives will never rest until they get their man. And the penalty is worth considering. Very few men convicted of robbing the United States mail have escaped with less than life imprisonment."

## ELECTION COST

ABOUT \$40,000 TO BE SPENT  
BY COUNTY FOR HOLDING  
CONGRESS BALLOTING

It will cost the county of Los Angeles about \$40,000 to hold the congressional election to select a successor to the late Charles Van de Water, it is estimated by the office of the registrar of voters in Los Angeles today.

The total of qualified voters in the ninth district, of which the city of Glendale is a part, is 120,000 and there are a few more than 600 precincts. The actual cost of salaries of election officers, rent and equipment of election places averages \$44 a precinct, it is stated. Other costs, such as printing ballots, delivering supplies and incidentals brings up the total. It is declared that the actual cost will be about \$70 a precinct.

The call of the special election has not yet been made by Governor Stephens and until the call is made the county officials cannot make any move toward preparing for the election.

The statement is made that it is a requirement of the election laws that a period of from seventy to ninety days must elapse after the call before the election is held.

## AGED DOCUMENT

PAPER WHEN GEORGIA IS ONLY  
COLONY IS FOUND; NUMBER  
INTERESTING FACTS

ATLANTA, Ga.—Sear and yellow with age, a musty document was found in the office of Secretary of State S. G. McElendon which was filed in that office when Georgia was a colony and under the domain of Great Britain. The document is a land grant given by King George I to cover certain lands in the city of Savannah.

The interesting paper was found in checking over all old papers in the office. It is in excellent state of preservation, is printed on a splendid quality of paper and is as clear as any similar documents can be printed today.

Where the usual "State of Georgia" would be found on a legal instrument today is found "George I. by the grace of God, Great Britain, France and Ireland king, defender of the faith," and so forth.

Then the reading drops down, and begins: Know ye, that we of our special race, certain knowledge and mere motion have given and granted," etc.

## Must Build in One Year

The property is described and given in "free and common socage." The person receiving the land is required to build on it within one year and if he does not build is required to pay the king one pound sterling a year for not building until such building is erected.

The paper is witnessed by "our truly and well-beloved general and governor in chief of our province." It is countersigned by the secretary of state of "our province" in the office at Milledgeville.

Many interesting old state papers, land grants and other documents are being found in the rechecking. One of the most interesting is a list of

land grants made in 1787, Georgia's first year of statehood, to former Revolutionary soldiers and refugees from Virginia.

Several hundred names are listed, among them being one of the most prominent families now in Georgia. The list is headed "account of certificates granted for bounty lands to refugees and citizens."

## DO WELL WITHOUT MEAT

Less than a third of the world's population gets what we should call three good meals a day, yet the working capabilities of the, from our point of view, underfed continents of Asia and Africa will compare very well with either Europe or America. The average annual meat consumption of the world is 39 pounds a head, yet both the Australian and the American eat nearer 180 pounds per head, and the Englishman is not far behind with about 120 pounds.

Have you reserved plates for your family and guests for Christmas dinner at the White Inn? The price is only \$1.50 for a genuine Christmas dinner. Phone Glendale 650-W.

## STUDY OF LAWS

STATE OF GEORGIA TO MAKE  
SPECIAL EFFORT TO STAMP  
OUT WHITE PLAGUE

Georgia, a state which has received much unfavorable publicity on account of the prevalence of the great white plague and the lack of laws protecting children, will study prevention as practiced by the California Tuberculosis association, according to a letter received at the California headquarters. A commission, it is stated, is being formed and will come to this state to study the child situation.

According to Mrs. E. L. M. Tate-Thompson, the preventoria of the state will be given major attention by the visitors, as it is here that the greatest amount of good is accomplished. With the advance in preventorium care for tuberculosis children, hundreds of cures are being effected and, through instruction by trained teachers, children whose opportunities were few are being in-

structed in household arts and light trades. Weaving, needlework and development of artistic talents are the advantages offered the little sufferers.

**Angus Well for Future**  
Preventoria are now being maintained by Marin, San Diego, Sacramento, San Francisco and San Mateo counties, with a promised increase of three during 1921. These, with the numerous "kiddie camps" in the various counties, give California a system capable of caring for children that augurs well for the future.

The motor clinic has played an important part in the recent development of child welfare work and in the back country numerous cases have been discovered in time to get preventorium treatment for the children. In this way hundreds of California children have been saved the danger of infection and much suffering and unhappiness avoided.

The work which is being done by the various tuberculosis associations in the state is made possible by the sale of Christmas seals.

**PIONEER DIES**

MRS. ELIZA BONNER, WELL KNOWN WOMAN, IS CALLED AT AGE OF 90 YEARS

Members of the Woman's Relief corps and a number of residents of Glendale will learn with regret of the passing of Mrs. Eliza Bonner at Pasadena recently.

Mrs. Bonner was 90 years old and had made her home in Pasadena for thirty-three years. She was one of the most beloved members of the Woman's Relief corps and was also a faithful member of the First Methodist church of Pasadena. She was well known to a number of Glendale residents.

Funeral services for Mrs. Bonner were held yesterday afternoon at 2 o'clock at the chapel of an undertaking company in Pasadena, with the Rev. M. N. Smith, pastor of the First Methodist church, officiating. A large number of the pioneer residents of Pasadena and surrounding communities were present at the services and there was a great wealth of floral offerings.

**CHORAL SOCIETY**

MRS. GEORGE A. NELSON HAS MEMBERS AT HER HOME; FINE PROGRAM GIVEN

The Glendale Choral society of the Seventh Day Adventist church were the guests of Mrs. George A. Nelson on Saturday evening.

After the usual business meeting, an excellent program was given by different members of the society. There were several excellent musical numbers, and Dr. Branstetter gave a sketch of the life of Handel, the great musician who brought joy and inspiration to the musical world, and whose "Messiah" is sung by choral societies the world over, especially at this season of the year. The social hour following the musicale was featured by interesting games, and refreshments were served by the hostess, Mrs. Nelson, assisted by Mrs. E. W. Dunbar, and the pleasant evening closed with the singing of "Home, Sweet Home" by the entire party.

**FOR JAPANESE**

REV. FATHER GEORGE STAUB, MISSIONARY WORKER, IS VISITOR IN GLENDALE

Rev. Father J. S. O'Neill, pastor of the Church of the Holy Family, has had as his house guest for a few days recently Reverend Father George Staub, who has charge of the Catholic missionary work among the Japanese of California.

Father Staub is a native of Rochester, New York, and belongs to the order of American Foreign Missionary priests of Maryknoll, New York. He gave interesting talks at both Masses on Sunday, descriptive of his work among the Japanese here.

When the school conducted by the Japanese missionary sisters in Los Angeles opened for the fall term, there were five times as many applications for enrollment as could be accommodated. The Japanese parents, all pagans, knew that this was a Christian school, and that in time their permission to baptize these children would be asked—yet they were all anxious to enter their children there, to have them Americanized and even Christianized.

**Subscriptions Come In Fast**

To further a plan for the enlargement of this school, Father Staub and a French missionary priest also working among the Japanese, sent out invitations to a number of the leading Japanese of Los Angeles to a meeting at the priests' home. The hosts were rather dubious about the outcome—but every one invited accepted the invitation. When the object of the conference was stated, and the missionaries asked that the prominent Japanese men of the town encourage them by getting subscriptions to the amount of \$2,000 to help build the school, a leading nurseryman arose to say that the request for \$2,000 for the purpose of aiding in building a school where their children might be educated was an insult; that they would raise not a paltry \$2,000 for such a purpose, but \$10,000.

To date, they have turned in very nearly the \$10,000, and they have pledges which will bring the amount to \$15,000 early in the year.

Under Father Staub's energetic, enthusiastic leadership, a hospital for Japanese has been established at Monrovia; this is another institution much appreciated by the Japanese.

Father Staub insists that the only way to Americanize the Japanese is to first Christianize them; he feels that in the case of the 90,000 pagan Japanese in our midst we have been remiss in the matter of the commandment to love our neighbor as we love ourselves, since we have done so little to make him see and appreciate the truths of Christianity.

This missionary priest lives with the people among whom he works—eats with them, visits in their homes, shares their lives, poor and squalid as most of them are, from an American viewpoint. He says the Japanese are the best friends he has in California, that he is always sure of a welcome in these pagan homes, and that when they have accepted Christianity they display a firmness of faith that is edifying.

The automobilist in London has only to sign a statement giving name, age, type of car, and so on, and pay \$1 to obtain a license to drive.

**CLEVER CANTATA**

FIRST METHODIST CHURCH TO BE SCENE OF PROGRAM ON BEHALF OF CHRISTMAS

Something entirely new to cause Santa delay, including motor trouble and a carpenter's strike, is introduced in the clever Christmas cantata, "Santa's Success," which will be presented Thursday evening at the First Methodist church. The cast has been selected from the beginners, primary and junior departments and comprises from sixty to seventy children.

The scene is laid in a private home on Christmas eve. The family, together with groups of fairies, goblins, stars and the striking carpenters, are eagerly awaiting Santa's arrival and telling of the gifts they expect to receive. Their soaring hopes are cast to earth, however, when a messenger enters and announces that Santa has met with a mishap and may be unable to come.

The children spend the anxious hours of waiting with songs and folk dances and at last word is received that the old Saint has come at last. He makes a triumphant entry, thanks the children for their patience, and distributes gifts of candy to the members of the Sunday school.

**Among Those Taking Part**

Miss Margaret Clarke takes the part of Maude, the eldest daughter of the family; Clyde Wheeler is the messenger boy and Miss Zora Glassy is the fairy queen. The group of fairies are primary children, the little goblins beginners, and the stars and carpenters, junior girls and boys. The identity of Santa is to remain a secret, but those who know state he will be as kindly and jovial as he has always been represented as being.

Songs sung by the entire cast follow: Opening chorus, "We Come;" song, "Tis Christmas Eve;" song, "Santa Is Coming;" grand finale, "We All Join the Army of King Santa." Mrs. W. H. Miller is directing the cantata, assisted at the piano by Mrs. Emma Reed.

Those who attend the program are urged to bring some offering for the poor. Such money, food, clothing or toys will be turned over to poor families known to the church or to institutions that care for the needy.

Wednesday evening a special Christmas prayer meeting will be held at the church to which visitors are invited.

**VALUE OF CROPS**

OVER NINE BILLION DOLLARS IS ESTIMATE PLACED BY U. S. DEPARTMENT

The total value of all important crops raised this year in the United States was \$9,148,519,000, the crop estimate bureau of the agriculture department announced in an official statement. This computation takes in reports to December 8.

Compared with 1919, this is a decrease of \$4,939,476,000. The total value of important crops in 1919 was \$14,087,995,000.

The area of all important crops was given as 351,062,409 acres, compared with 356,162,122 acres in 1919.

The 1920 value of some of the important crops described by the bureau follows:  
Corn, \$2,189,721,000; winter wheat, \$866,741,000; spring wheat, \$273,465,000; all wheat, \$1,140,206,000; white potatoes, \$500,974,000; sweet potatoes, \$126,629,000; oats, \$719,782,000; barley, \$142,931,000; rye, \$88,869,000; rice, \$63,837,000; cotton, \$914,195,000; sugar, \$99,936,000; apples, \$271,984,000; tobacco, \$298,001,000.

**MEASURED MAMMOTH CAVE.**

An odd method has been used in measuring the height of some of the great chambers in the Mammoth cave. The experimenter had little balloons made of a special pattern, with thinner and more elastic rubber than that of common toy balloons. Then, with five balloons tied in a cluster, and each inflated with hydrogen to a diameter of ten inches, he began his attempts. An acetylene light revealed the balloons when they touched the top. The measuring tape was a light silk thread. The rotunda was found to be just forty feet high, and the Mammoth dome 119 feet and 6 inches. But in the vast temple called Gorin's dome, wandering air currents rendered the balloons unmanageable.

A bank "manned" entirely by women, with women officers, organized mainly to back the woman who wishes to go into business for herself, is to be established in Philadelphia.

**GREAT VINES**

LARGE BUILDING OF STEEL AND GLASS BEING USED TO HOUSE PLANTS

Cucumber vines growing nine feet high, on a wire trellis! Did you ever see this? That's the way it will be ere long in the big Davis Glendale greenhouse in the Grand View district.

It was a novel and interesting sight that met the eyes of an Evening News representative when J. L. Henderson, the accommodating manager, showed him through the large building, 72x350 feet, over half an acre in area.

Wire trellises six feet high and six feet apart extend in parallel rows the entire length of the greenhouse and the plants are about four feet apart. They are trained up the trellises and already some of them are nearly to the top. They would grow twelve or fifteen feet high if allowed, Mr. Henderson says.

The ground was thoroughly pulverized and fertilized before the seeds were planted and the only cultivation given is to keep the weeds down. Steam heat in pipes keeps the temperature at about 85 degrees.

The cucumbers are setting freely now and by February some of them will be twelve inches long. They would grow to a length of twenty-one inches or more, if allowed. These vines will bear, if there is not too much hot weather until next October. They are irrigated at regular intervals.

**Built of Steel and Glass**

This immense greenhouse, devoted entirely to cucumbers, is built entirely of steel and glass. Just west of it is the packing house, office and engine room. A second unit will be built south of it before many months. It is to be of the same construction and dimensions and it, also, will be devoted entirely to the raising of cucumbers. Later units will be used for raising fruits.

Mr. Henderson is still quite a young man, but what he doesn't know about cucumber raising would make a mighty small pamphlet. He learned it all in the great greenhouses

**CORRECT DATE**

BAKERSFIELD AND BERKELEY'S CLASS WILL BE HELD ON DEC. 29, IS STATED

Here are two items of interest to the football squad at the Glendale Union High school and to football fans of the city generally:

The state championship prep football game will be played at Tournament park, Pasadena, on December 29 and not December 24, as was announced by Los Angeles newspapers. The Tournament of Roses association makes this correction.

The game is to be staged by teams from Bakersfield and Berkeley. Bakersfield, it is stated, earns the right to play the northern champions because of its recent victory over Santa Monica. Last year the Berkeley team was runner-up with Long Beach for the state title. That's one item. The other is this:

Walter Eckersall, the noted football authority, is coming to Pasadena to attend the football game on New Year's day to write the story for The Chicago Tribune. He was formerly a star player. Of recent years he has acted as coach and referee. He refereed the first east vs. west game played in Pasadena.

**BEAUTIFUL JADE.**

The largest piece of jade in "captivity" is that in the American Museum of Natural History in New York. It is about the size of the Plymouth Rock, and weighs three tons. With the demand for jade greater than ever before, this chunk is worth a considerable sum. Its beauty of color is not apparent in the raw state, for it looks like any other boulder that one might see in the fields. It is seven feet in length.

owned and operated by Mr. Davis in Aurora, Ill., and he easily and quickly adapted himself to the soil and climate of Glendale. He and his young wife occupy a cozy four-room bungalow erected for them a short distance west of the greenhouse by Mr. Davis.

**FUNERAL IS HELD**

LAST TRIBUTE IS PAID BY FRIENDS TO MEMORY OF MRS. MARY MAREK

Funeral services for Mrs. Mary Marek, who died at her home, 1218 South Maryland avenue, last Thursday, were held from the Church of the Holy Family yesterday morning.

Requiem Mass was celebrated by Reverend Father James S. O'Neill, and interment was made in Calvary cemetery, Los Angeles.

Mrs. Marek was a native of Austria, and she was 59 years old. She is survived by two sons, George A. and Andrew Marek, both residents of Glendale.

**HOW DOLLARS WORK FOR YOU**

How the dollar invested works for the individual himself has been best illustrated by the first great American teacher of thrift, Benjamin Franklin. In 1791, he bequeathed 1000 pounds sterling (\$5000) to the commonwealth of Massachusetts and to the city of Boston as a mark of his appreciation for having appointed him as agent in England at the "handsome" salary of 2000 pounds (\$10,000) and to make his bequest really valuable, with his great foresight, Franklin provided in his will that this 1000 pounds should be put out at 5 per cent interest for 100 years; and that at the end of that time 31-131 of the fund accumulated should again be put out at interest for another 100 years and then the fund be divided one-fourth to Boston and three-fourths to the state.

Let us show how well that 1000 pounds of Franklin's has worked. At the end of the first 100 years it had grown to \$431,383.62. It was then divided in accordance with the will; \$329,300.48 was set aside for "public work" and \$102,083.14 was started on its course of earning interest for another 100 years. That was in 1891. January 1, 1918, this sum had grown to \$267,505.15 and at this rate of increase the fund should amount to at least \$6,000,000 when the second period is completed, and may be considerable more.

## Christmas Greetings

Christmas, 1920, finds this store, Glendale's Pioneer Hardware and Sporting Goods Store, enjoying the best business in its history.

We want to thank you all for your liberal patronage and extend to you all the greetings of the holiday season.

# ORDINANCE NO. 413

AN ORDINANCE DECLARING THE INTENTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE TO ORDER THE WIDENING OF LOS FELIZ ROAD IN THE CITY OF GLENDALE.

THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE DO ORDAIN AS FOLLOWS:

SECTION 1. That the public interest and convenience require and it is the intention of the Board of Trustees of the City of Glendale to order the following improvements to be made, to-wit:

That Los Feliz Road be widened from the northeasterly line of San Fernando Road to the westerly line of Central Avenue.

SECTION 2. That the land necessary and convenient to be taken for the improvement described in section 1 hereof is situated in the City of Glendale, County of Los Angeles, State of California and is more particularly described as follows:

All that portion of Block 4 of the Replat of Blocks 1 and 4 of the Vine Cottage Tract as per map recorded in Book 59, Page 18, Miscellaneous Records of Los Angeles County, within the following described boundary lines:

Beginning at a point in the northeasterly line of San Fernando Road seventeen and fifty hundredths (17.50) feet southeasterly from the southeast corner of San Fernando Road and Los Feliz Road; thence by an angle to the left from the northeasterly line of San Fernando Road N 88°33'45" E sixty-three and sixty-six hundredths (63.65) feet to the beginning of a curve concave southerly of radius three hundred (300) feet; thence along said curve one hundred sixty-nine and two hundredths (169.02) feet to the end of said curve; thence S 89°09'25" E one hundred thirty-five and twenty-six (135.26) feet to the westerly line of Central Avenue; thence northerly along the westerly line of Central Avenue twenty (20) feet to the southwest corner of Los Feliz Road, and Central Avenue; thence westerly and southeasterly along the southerly and southeasterly lines of said Los Feliz Road to the southeast corner of Los Feliz Road and San Fernando Road; thence southeasterly along the northeasterly line of San Fernando Road seventeen and fifty hundredths (17.50) feet to the point of beginning. Excepting from the above described lands any public street or alley which may be included therein.

SECTION 3. That the boundaries of the district in the City of Glendale benefited by said improvement and to be assessed to pay the expenses thereof and to be known as the assessment district are hereby fixed as follows:

All that portion of the City of Glendale included within the following described exterior boundary lines to-wit:

Beginning at a point on the northeasterly line of the Southern Pacific Railroad Right of Way where said right of way is intersected by the westerly line of the W. C. B. Richardson's Subdivision as per map recorded in Book 18, Page 34, Miscellaneous Records of Los Angeles County, California; thence northeasterly along said northeasterly line of said W. C. B. Richardson Subdivision to the southeasterly line of San Fernando Road; thence northeasterly in a direct line across San Fernando Road to the most southerly corner of Lot 4, Block 1 Replat of Blocks 1 and 4 of the Vine Cottage Tract as per map recorded in Book 59, Page 18, Miscellaneous Records of Los Angeles County, California; thence northerly parallel to and distant ninety-two and ninety-two hundredths (92.92) feet westerly from the westerly line of said Tract No. 315 and the northerly prolongation thereof to the south line of Palmer Avenue; thence northerly in a direct line across Palmer Avenue to the southwesterly corner of Lot 3 of Tract No. 2452 as per map recorded in Book 23, Page 56 of Maps, Records of Los Angeles County, California; thence northerly along the westerly line of said Lot 3 to the northwesterly corner of said Lot 3; thence northerly parallel to and distant four hundred and eighty-three and three-tenths (483.3) feet westerly from the westerly line of Central Avenue to the southerly line of Park Avenue; thence northerly in a direct line across Park Avenue to the southwesterly corner of Lot 41 of Tract No. 927 as per map recorded in Book 16, Page 153 of Maps, Records of Los Angeles County, California; thence northerly along the westerly lines of Lots 41, 40, 39, 38, 37, and 36 of said Tract No. 927 to the northwesterly corner of said Lot 36; thence easterly along the northerly line of said Lot 36 to the southeasterly corner of Lot 34 of said Tract No. 927; thence northerly along the easterly line of said Lot 34 to the southerly line of Acacia Avenue; thence northerly in a direct line across Acacia Avenue to the southwesterly corner of Lot 7 of said Tract No. 927; thence northerly along the westerly line of said Lot 7 to the northerly line of said Tract No. 927; thence westerly along said northerly line of said Tract No. 927 to the southwesterly corner of Lot 7 of said Tract No. 121 as per map recorded in Book 14, Page 90 of Maps, Records of Los Angeles County, California; thence northerly along the westerly line of said Lot 7, to the southerly line of Garfield Avenue; thence northerly in a direct line across Gar-

field Avenue to the southwesterly corner of Lot 28 of said Tract No. 121; thence northerly along the westerly line of said Lot 28 to the northerly line of said Tract No. 121; thence easterly along the said northerly line of Tract No. 121 to the southwesterly corner of Lot 20 of the Imbler Tract as per map recorded in Book 7, Page 47, of Maps, Records of Los Angeles County, California; thence northerly along the westerly line of said Lot 20 of said Imbler Tract to the southerly line of Windsor Road; thence northerly in a direct line across Windsor Road to the southwesterly corner of Lot 3 of said Imbler Tract; thence northerly along the westerly line of said Lot 3 to the northerly line of said Imbler Tract; thence westerly along the said northerly line of said Imbler Tract to the southwesterly corner of Lot 1 of Tract No. 2782 as per map recorded in Book 28, Page 14, of Maps, Records of Los Angeles County; thence northerly along the westerly line of said Lot 1 to the southerly line of Maple Street; thence northerly in a direct line across Maple Street to the southeasterly corner of Lot "C" of said Tract No. 2782; thence northerly along the easterly line of said Lot "C" to the southwesterly corner of Lot 32 of the Riverdale Heights Tract as per map recorded in Book 4, Page 1 of Maps, Records of Los Angeles County, California; thence northerly along the westerly line of said Lot 32 to the southerly line of Riverdale Drive; thence northerly easterly across Riverdale Drive to the southwest corner of Lot 34 of the Palmetto Tract as per map recorded in Book 12, Page 150, of Maps, Records of Los Angeles County; thence northerly along the westerly lines of Lots 34 and 19 of said Palmetto Tract to the south line of Lomita Avenue; thence northerly in a direct line across Lomita Avenue to the southwest corner of Lot 6 of said Palmetto Tract; thence northerly along the westerly line of said Lot 6 to the northwesterly corner thereof; thence easterly along the northerly line of said Lot 6 to the southwest corner of Lot 9, Block A, Glendale Valley View Tract; as per map recorded in Book 9, Page 157, of Maps, Records of Los Angeles County; thence northerly along the west line of said Lot 9 to the south line of Vine Street; thence northerly in a direct line across Vine Street to the southwest corner of Lot 28, Block B of said Glendale Valley View Tract; thence continuing northerly along a line parallel to the west line of Central Avenue to a point in the south line of Broadway west corner of Lot 12, Block H of said Glendale Valley View Tract; thence easterly along the south line of Broadway to the southwest corner of Broadway and Central Avenue; thence southerly along the west line of Central Avenue to the southeast corner of Lot 3, Block H, of said Glendale Valley View Tract; thence southeasterly in a direct line across Central Avenue to the southeast corner of Central Avenue and Broadway; thence easterly along the south line of Broadway to the west line of Orange Street; thence southerly along the west line of Orange Street to the northwest corner of Orange Street and Colorado Street; thence southerly in a direct line across Colorado Street to the northeast corner of Lot 23 of Grider and Hamilton's Lomita Park Tract as per map recorded in Book 6, Page 105, of Maps, Records of Los Angeles County, California; thence continuing southerly along the easterly lines of Lots 23, 30, 74 and 82 of said Lomita Park Tract to the northerly line of Lomita Avenue; thence southerly across Lomita Avenue to the southeast corner of Lot 89 of said Lomita Park Tract; thence southerly along the easterly lines of Lots 89, 125, 132, 165 and 172, of said Lomita Park Tract, to the southeast corner of said Lot 172; thence, easterly along the northerly line of Lot 5 of the Brigham's Tract as per map recorded in Book 9, Page 175, of Maps, Records of Los Angeles County, California, to a point in said northerly line two hundred (200) feet westerly measured therefrom from the northeast corner of said Lot 5; thence southerly in a direct line to a point in the south line of said Lot 5 two hundred (200) feet westerly from the southeast corner thereof; thence westerly along the southerly line of said Lot 5 to the northeast corner of Lot 23 of Tract No. 393, as per map recorded in Book 14, Page 154 of Maps, Records of Los Angeles County, California; thence southerly along the easterly lines of Lots 53, 42, 31, and 15 of said Tract No. 393, to the southeast corner of said Lot 15; thence westerly along the southerly line of said Lot 15 to the northeast corner of Tract No. 1066 as per map recorded in Book 17, Page 74 of Maps, Records of Los Angeles County, California; thence southerly along the easterly line of said Lot 15 to the southeast corner thereof; thence southerly across an alley to the northeast corner of Lot 9 of the Collins Tract as per map recorded in Book 4, Page 78 of Maps, Records of Los Angeles County, California; thence southerly along the easterly line of said Lot 9 to the southeast corner thereof; thence southerly across Palmer Avenue to the northeast corner of Lot 6 of the Alveretta Tract as per map recorded in Book 10, Page 27 of Maps, Records of Los Angeles County, California; thence southerly along the easterly line of said Lot 9 to the north line of Magnolia Avenue; thence southerly across Magnolia Avenue to the southeast corner of Magnolia Avenue and Walnut Street; thence southerly along the east line of Walnut Street to the northeast corner of Walnut Street and Cypress Avenue; thence southerly across Cypress Avenue to the northeast corner of

Lot 12, Block 2 of the Vine Cottage Tract as per map recorded in Book 23, Page 6, Miscellaneous Records of Los Angeles County, California; thence southerly along the easterly line of said Lot 12 to the southeast corner thereof; thence easterly along the southerly lines of Lots 13, 14 and 15 of said Vine Cottage Tract to the west line of Walnut Street; thence southerly along the west line of Walnut Street to the northwest corner of Walnut Street and Los Feliz Road; thence southerly across Los Feliz Road to the northeast corner of Lot 8, Tract No. 2924 as per map recorded in Book 30, Page 38 of Maps, Records of Los Angeles County, California; thence southerly along the easterly line of said Lot 8 to the southeast corner thereof; thence westerly along the southerly lines of Lots 8, 7, 6, 5, 4, 3, 2, and 1 of said Tract No. 2924 to the southwest corner of said Lot 1; thence southerly along the easterly lines of Lots 20, 19, 18, and 17 of said Tract No. 2924 to the north line of Laurel Street; thence westerly along the north line of Laurel Street to the northeast corner of Laurel Street and Central Avenue; thence westerly across Central Avenue to the most northerly corner of Tract No. 1953 as per map recorded in Book 21, Page 103 of Maps, Records of Los Angeles County, California; thence southerly along the northwesterly line of said Tract No. 1953 to the most southerly corner of Lot 12, Block 4 of the Replat of Blocks 1 and 4 Vine Cottage Tract as per map recorded in Book 59, Page 18, Miscellaneous Records of Los Angeles County, California; thence northerly along the southwesterly line of Lots 12 and 11 of said Block 4 to the most easterly corner of Lot of said Block 4; thence southerly along the southeasterly line of said Lot 6 to the northwesterly line of San Fernando Road; thence southerly across San Fernando Road to the most easterly corner of Lot 10, Block 2 of the aforesaid W. C. B. Richardson's Subdivision; thence southerly along the southeasterly line of said Lot 10 to the most southerly corner thereof; thence westerly across an alley to the most easterly corner of Lot 13 of Block 5 of said W. C. B. Richardson Subdivision; thence continuing southerly along the southwesterly line of production of the northwesterly line of the last mentioned alley to a point in the northeasterly line of the right of way of the Southern Pacific Railroad; thence northwesterly along said northeasterly line to the point of beginning. Excepting therefrom any portion of any public street or alley which may be included in the above described district.

SECTION 4. That the proceedings for the aforesaid improvement shall be taken under the "Street Opening Act of 1903" and the Street Superintendent of the City of Glendale shall post and publish notices of said improvement in the manner and for the time required by said act; and the Glendale Evening News, a daily newspaper of general circulation published and circulated in said City of Glendale, is hereby designated as the newspaper in which said notice shall be published.

SECTION 5. The City Clerk shall certify to the passage of this ordinance and shall cause the same to be published once in the Glendale Evening News, and thereupon and thereafter it shall take effect and be in full force.

Adopted and approved this 9th day of December, 1920.

HARTLEY SHAW,  
President of the Board of Trustees of the City of Glendale.

Attest:  
J. C. SHERER,  
City Clerk of the City of Glendale.

STATE OF CALIFORNIA, COUNTY OF LOS ANGELES, CITY OF GLENDALE--SS.

I, J. C. Sherer, City Clerk of the City of Glendale, do hereby certify that the foregoing ordinance was duly adopted by the Board of Trustees of the City of Glendale, State of California, and signed by the President of said Board at a regular meeting thereof held on the 9th day of December, 1920, and that the same was passed by the following vote, to-wit:

Ayes: Bartlett, Henry, Robinson, Shaw, Stephenson.  
Noes: None.  
Absent: None.

J. C. SHERER,  
City Clerk of the City of Glendale.

## FATHERS' NIGHT

ENJOYABLE PROGRAM IS GIVEN AND ADDRESS IS MADE BY MARK KEPPEL

"Fathers' Night" given by the Mothers' Club of the Acacia avenue school last Thursday evening at the K. P. hall, was a great success, the fathers being well represented in the enthusiastic audience that filled the hall to capacity.

To parents, and, indeed, to all other "grown-ups," a program by children is always interesting; and the numbers in which Acacia avenue school children took part were most pleasing, and showed the excellent training their teachers, Mrs. Bullis, and Miss Cornwell, had given them. The children's program follows:

1. Song, by the primary room.
2. Selections on the piano, (a) My Cello, (b) Rock-a-by, Baby, Barbara Muhleman.
3. Piano selections, (a) My Jolly Workman, (b) Eskimo Lullaby, (c) The Christmas Tree, Alida Windas.
4. One of the playground activities, by the third grade class.
5. Three recitations: The Worm, Joseph Clapper; The Elephant, Walter Wilson; Vocation, Harry Glard.
6. Song by the upper grade pupils.
7. A group of memory selections, by the primary rooms.
8. Reading from her own Third reader, by Gertrude Sprenger.
9. Another of the playground activities, by the advanced second grade class.
10. Story, "How Tommy Chuck Finds The Best Thing in the World," told by Barbara Brown.
11. The Night before Christmas, by Esselman.
12. Song, by the whole class.

**Gives Talk on Co-operation.**  
Superintendent of Schools Richardson D. White gave a brief but instructive talk urging the co-operation of the parents in supplying the demand for more classrooms to supply the needs of this fast growing community.

Mark Keppel, county superintendent of schools, was the principal speaker of the evening. In a forceful way he showed the necessity of the co-operation of parents with the teachers; he said that parents cannot shift the responsibility of children's training to others with the expectation of a finished product; that the children of today will be the generals and leaders of tomorrow, and we cannot solve the many problems constantly confronting us without this co-operation. Added emphasis was given his remarks by his statement that children reared in homes where this co-operation exists are rarely found in a juvenile court. Mr. Keppel said that the best in education is none too good for our children, and that their development should not be hampered by the lack of money to provide equipment, proper schoolrooms and the best teachers.

Vast sums, he said, are expended for automobiles and luxuries, while education, which is a vital necessity, does not receive commensurate consideration. The applause which followed the close of his address demonstrated the appreciation of his audience.

The parents then were given an opportunity to inspect the excellent work of the children, which was placed on the walls and tables.

The evening closed with the serving of refreshments of excellent coffee and home-made pie to the "grown-ups," while the children were served a treat of their own.

**STORY IS TRUE**  
MRS. J. C. McQUISTON GIVES CONFIRMATION OF ITEM ABOUT FREAK TREE

Assurance that the lone maple tree on the court house tower of Greensburg, Ind., which has made that city a show-place for tourists, is as wonderful a phenomenon as it is represented to be, is given in a letter sent by Mrs. J. C. McQuiston, 420 Palm Drive, Hermosa Beach, to the publisher of the Evening News. An article describing the tree and telling of its remarkable origin and struggle for existence over a period of forty-nine years, appeared in the December 13, issue of The Evening News.

Mrs. McQuiston stated that her husband had been resident of Greensburg for a number of years and could vouch for the authenticity of the article which describes the tree as being fifteen feet in height with a trunk four inches thick. Its origin is supposed to have resulted from winged maple seeds having been carried by wind or birds.

Mrs. McQuiston inclosed a postal card showing a picture of the court house tower with the tree growing out of the solid masonry.

Mrs. McQuiston is a former resident of Glendale and expects soon to return to this city.

Two-thirds of the coinage of the United States and most of South America's coins as well as made in the United States mint at Philadelphia.

Eighty thousand head of sheep graze on the mountain ranges of the Okanogan national forest in Washington. There has been an abundance of snow in the mountains, which assures pasture for next season.

To the customers that have already availed themselves of the easy terms on our

# Burnham Supertone Phonograph READ THIS

Los Angeles, Calif.  
December 18, 1920.

Mr. Emil Spitzer,  
1918 La Salle Ave.,  
Los Angeles, Calif.

Dear Mr. Spitzer:

Want to congratulate you on the great number of sales made on Burnham phonographs in Glendale; and am also glad to note that you intend to open a permanent store there and in Burbank. I am sure you make no mistake in selecting Glendale, as in my opinion it is one of the coming towns in this section of the country.

I want to call your attention to the "100 per cent GUARANTEE" on these Burnham phonographs, as you will notice on the back of catalog. This guarantee is not only made by the Burnham Phonograph Mfg. Co., but is backed up in every sense by Kohler & Chase, without time limit, as stated in the guarantee. Your customers should each any everyone of them be advised of this, and should anything go wrong we have a factory right here in Los Angeles to take care of it, and not a factory on the Atlantic Coast.

All of us in Southern California should work for Southern California's interest; buy Southern California's products; and in that way give employment to Southern California's workmen.

You need not hesitate a minute in putting this machine in comparison with any other make, without exception, on the market. We have had this tested out so often and have so seldom lost a sale when a direct test has been made that we do not hesitate to have all of our dealers do the same.

Very truly yours,

FWS:JK

## EASTERN FRIENDS

MR. AND MRS. B. L. CLINE ARE HOSTS FOR PARTY AT HOME LAST SUNDAY NIGHT

Mr. and Mrs. B. L. Cline, 720 East Windsor road, entertained a party of Eastern relatives Sunday evening. Entertainment in the form of music was enjoyed, including a saxophone solo by Edwin Cline, piano solo by little Fern Cline of Los Angeles and victrola music.

Those present were Mr. and Mrs. Clayton Frazier, Clifford Frazier, and Harry Stroup of Warren, Ohio; Mr. and Mrs. F. E. June and Mr. and Mrs. A. M. Cline and daughter Fern of Los Angeles, Mrs. Hannah Cline, Mr. and Mrs. E. H. Marlett, and I. Cline of Glendale. Refreshments were served and a very delightful evening enjoyed.

According to Popular Science Monthly, a doctor at Johns Hopkins hospital has discovered a way of pumping purified air into the brain so as to locate and remove tumors which would cause either idiosyncrasy or death.

The secret service issues a warning against a counterfeit \$20 federal reserve note on the federal reserve bank of Kansas City, Mo. The counterfeit is printed from photographic plates, on two pieces of paper. The bill is too thick and half an inch short.

## TICKETS SCARCE

DEMAND FOR PASTBOARDS TO FOOTBALL GAME IS FAR EXCEEDING SUPPLY

Although the seating capacity of Tournament park where the Ohio and California state university teams will clash New Year's day is but 35,000, 100,000 applications for tickets have been received at the Tournament of Roses headquarters, Pasadena, according to word received today by L. T. Rowley, president of Greater Glendale Development association and member of the Glendale float committee. This means that more than 65,000 fans will miss out on the annual display of pigskin proficiency.

Whether allotments will be made to the civic organizations of various southern California cities as was at first the plan of the Tournament of Roses association, is doubtful. Unprecedented demands for tickets makes it extremely uncertain that such reservations can be made, Mr. Rowley said.

### Very Few Tickets Allotted.

At best, not more than forty or fifty reservations would be allotted to Glendale and this number would have to be divided between the Greater Glendale Development Association and the Glendale Float committee, it is stated.

The time limit on which the 3000 members of the Tournament of Roses Association might apply for their four seats each, expired Saturday night. Practically every one applied for his four reservations.

The mailing out of tickets to those of the general public who were fortunate enough to get their applications in early began yesterday. The letters have been kept carefully in the order they were received and the Tournament pledges itself to fill them in that order. It is declared there is absolutely no use mailing in applications at this late date, as it is estimated more than \$100,000 will have to be returned to disappointed fans.

## MAN'S STATUE

CLIMATE HAS LOT TO DO IN FIXING SIZE; TALLEST IN EUROPE IS IN SCOTLAND

Habitually we think of Japanese as small men, and imagine a Russian to be a tall man in a big greatcoat.

The Englishman, according to popular opinion, is supposed to be taller than a Frenchman, much in the same way that a dog of the St. Bernard or mastiff breed surpasses a terrier or a poodle. The common measurements made by scientists show that differences exist between the average height of races of mankind. Generally, stature varies between five feet four inches and five feet ten inches. Of really dwarf men, under five meet in height, there are few, chiefly the bushmen of South Africa, the dwarfs of New Guinea and the Laplanders.

### Tallest Race in Europe

The tallest race in Europe is to be found in the United Kingdom, in the southwestern corner of Scotland, where the average height is five feet ten inches. Scotsmen, on the whole, are a tall race, and on the average measure about five feet nine inches. This height is only equaled by the tall Polynesian and American races.

Among the shortest men are the South Italians, Sicilians and Sardinians where the usual height is as low as five feet two inches or five feet three inches. The lowest average in England is found in the southwestern parts and in Wales ranging from five feet six inches to five feet seven and one-half inches. In Northumberland it rises to five feet eight inches, and among the burly Yorkshiremen it even goes as high as five feet nine and one-half inches.

This leaves the nearest rivals on the continent far behind. Even the North Germans, Danes and Scandinavians, who are classed among the tallest people there, only range from five feet five inches to five feet seven inches. Frenchmen are generally smaller, measuring about five feet five inches, and the Spaniards an inch shorter.

### Depends Much on Climate

Stature depends a good deal on climate. The Bushmen live in the great Kalahari desert, the tall Polynesians on the Pacific islands and enjoy all the advantages nature can bestow. The Hottentots, of the same race of the Bushmen, but inhabiting more fertile country, are appreciably taller.

On higher ground the people are usually shorter, so that the Swiss and Central Europeans generally are stocky rather than tall. Sometimes stature varies with the class of men. Early immigrants to America before things were made easy by the steamship companies were always taller than the races from which they had sprung. They are picked men, full of physical vigor and courage. Stature varies also according to profession. About half the professional and ecclesiastical classes are tall men but only about one in ten of the cobblers, weavers and tailors reach the height of five feet seven inches.

The dairy division of the department of agriculture is assisting dairymen of Dubois, Pa., to conduct a co-operative milk distributing plant.

Queen Elizabeth suffered from many ailments, including swooning, gastritis, bronchitis, says one historian.

The first state federation of women's clubs was organized in Maine in 1892.

## Marks of Identifying Federal Reserve Notes

It is a comparatively easy matter to become an expert in the quick handling of money and also to detect bills that have been raised, according to those who have tried. A large proportion of the bills now in circulation are federal reserve notes. Those in common use have identification characteristics, in addition to the numerals, easy to memorize.

Cashiers who handle large and small bills rapidly usually memorize the portraits of the bills, which are large enough to be unmistakable as the major mark of identification, with the numerals as the minor aid. The two combined are well high infallible, save in the case of clever counterfeiters.

As the raising of bills is accomplished with the numerals, familiarity with the portraits, and comparison, will verify the proper denomination of the bills. The portraits on the federal reserve bills in everyday use are as follows:

One-dollar notes, portrait of George Washington.  
Two-dollar notes, portrait of Thomas Jefferson.  
Five-dollar notes, portrait of Abraham Lincoln.  
Ten-dollar notes, portrait of Andrew Jackson.  
Twenty-dollar notes, portrait of Grover Cleveland.  
Fifty-dollar notes, portrait of U. S. Grant.  
Hundred-dollar notes, portrait of Benjamin Franklin.

In order to make counterfeiting more difficult, and to assist the public in more readily detecting counterfeiters, United States Treasurer John Burke, in conjunction with the secret service department of the United States treasury, for the last six months, has been endeavoring to decide on a uniform currency issue, which will have such a distinctive style that the counterfeiters will have more difficulty than ever in reproducing bills.

It is possible that we will have on each denomination a different color scheme or have large seals of different hues, in addition to the portrait and numerals.—N. Y. Times.

One of two Kamchatka saibies escaped from its captors on board a ship anchored at Seattle and fled to the shore. The saibies were the first living specimens of the kind ever carried over the seas to America, and were consigned to an eastern fur firm.

France faces a deficit of from 300,000 to 400,000 tons of fresh meat yearly for some years to come. The shortage will be met in part by the use of fish, but much frozen meat will be imported.

## Little White Hen Is Ruler of Whole Flock

FARGO, N. D.—This is the story of a dainty little white hen, the most coveted fowl of North Dakota.

A year ago, as she scratched for worms in the barnyard of Carl Zehr-feld of New Rockford, she was only one of the flock, with no marks of distinction or individuality. Today she reigns supreme over all fowl of the state and her breakfast, luncheon and dinner are served at regular periods, served with an infinite taste that tempts the appetite. The proudest and most dominating rooster of the ranch can see her only at the intervals recorded in her engagement book.

Around the right ankle of the lady is a thin gold band emblematic of the state egg-laying championship with which Little Emma cackled home after establishing a state record of 301 eggs in one year. The world's record is 333.

The contest which has been in progress for a year at the North Dakota agricultural college here, was for months an egg-and-egg race. Then in the last three weeks little Emma swung into high and left her rivals struggling for second honors. She ended the long contest a bit pale and tired, but still determined.

With four other Single Comb White Leghorns Little Emma also won the pen contest. There were 12 pens of five birds each. Enoch J. Peterson, director of the battle, used a trap nest record on each bird.

Russian railway stations are usually about two miles from the town they serve—this as a precaution against fire caused by sparks from the locomotives.

A good slogan: "Pay the preacher and the professor as much as the plumber."
